

20 Inspirational Quotes That'll Motivate You To Take Charge Of Your Life And Achieve Success

Sometimes you might encounter days where you need an extra kickstart to get realigned with your goals. On such days, you need quotes about taking charge of your life and you can give up your dreams. Indeed, every phase of your life should be inspirational for your success.

The correct quotes can inspire and make you take charge of your life and achieve success. A good quote can give you the right mindset to view a challenging situation to conquer and work even harder.

It's not enough to believe in yourself; you must take action. Get out of your comfort zone, stay fearless and constantly strive for growth. Don't wait for success – seize it!

Remember successful people don't become that way overnight. What most people see at a glance is happiness, wealth, a great successful career, and purpose is the result of hard work and hustles throughout the journey.

To be successful, you have to use each day as an opportunity to improve, to be better, and to get a little bit closer to your goals by working harder and being inspired to achieve success.

Know that no positive change can occur without challenge. Embrace hard work, difficulty and failure as a means to reach an ambitious goal. Push through obstacles with perseverance until you become indomitable.

You must be willing to live a life of passion and purpose instead of simply accepting mediocrity because it's easier. Find strength in adversity and don't let anything stand between you and true success.

The journey is yours alone, but don't go it alone. Make meaningful connections and build strong relationships with people who want to see you excel as much as you do. Surround yourself with visionaries who will bring out the best in you – that's how greatness is attained!

Be vocal about your aspirations and back them up with resilience and grit so they manifest into reality. Believe in yourself first, then others will too – that is how real progress happens!

Here are 20 Inspirational Quotes That'll Motivate You To Take Charge Of Your Life And Achieve Success

1. “Some people never go crazy. What truly horrible lives they must lead.”- Charles Bukowski

Life is meant to be a platform to experiment to get success. You cannot and should not remain in your cocoon of the comfort zone. Taking charge of your life will help you realize that you are worthy of your hard work. You would then become ecstatic, ecstatic by coming to a step closer to the meaning of success.

2. “Be thankful for what you have; you'll end up having more. If you concentrate on

what you don't have, you will never, ever have enough.”- Oprah Winfrey

While it is good to struggle for more, you must not forget and overlook the blessings that you already have achieved in life.

Be thankful to god for all the goodness that he has bestowed in your life in the form of your friends, family and the availability of the basic amenities that many have been missing in life. If your mind constantly keeps on shifting to all the things that you don't, then you will never have a moment of peace.

3. “Embrace bad news to learn where you need the most improvement.”- Bill Gates

Perfection is an abstract idea; you can come close to it but not achieve success. In that endeavour you'll come face to face with your own problems and weaknesses, sometimes realizing them on your own. Embrace your weaknesses and limitations and work on them such that they are honed into your strengths and you get success in life.

4. “If opportunity doesn't knock, build a door.”- Milton Berle

Sitting and waiting for an opportunity to be served on a gold plate would bring you no good. The only thing that you would derive out of success would be a huge waste of your time and abilities.

Rather stop whining over the absence of that much-awaited chance and take matters into your hand and start creating your opportunity.

5. “The difference between ordinary and extraordinary is that little extra.”- Jimmy Johnson

Everyone prefers shortcuts but the question is that ‘have we really put in that extra effort that would make us the latter?’ People become extraordinary when they give up the desire to take up a shortcut every time and instead put in the actual extra effort and hardwork to get success in life.

6. “Two roads diverged in a wood, and I- I took the one less travelled by, And that has made all the difference.” – Robert Frost

Following the race that everyone is running is no way to rise up in your life and achieve success. You need to be daring enough to take up the challenges on the way and traverse them.

Unknowingly you might actually be pioneering something that you would be not aware of. It is fear that abstains you from setting foot on the unknown path. Once you let go of all your fear there would be nothing holding you back.

7. “I don’t think of all the misery but of the beauty that still remains.” –Anne Frank

While your life might be facing numerous challenges and tragedies, hold on to the belief. It is the optimistic belief that has the power to get success in life. It not only gives you strength but also keeps you motivated to take risks. This Positive attitude is true and can help you to get success.

8. “If you are going through hell, keep going.”- Sir Winston Churchill

Nothing stays on forever you might have to face challenges but remember. Life is a cyclic process of ups and downs; it is just like a roller coaster ride.

It is natural to be demotivated when bad times dawn upon you and you need to understand that it won't stay forever and it's just a phrase in life. Remember you are never alone, everyone has to go through this phase.

9. “If you cannot do great things, do small things in a great way.” – Napoleon Hill

This is not just an inspirational quote. But to get success everyone needs to take a smaller step at a time in life. You often go behind bigger things and forget how little things can make a difference in life.

10. “No need to hurry, no need to sparkle, no need to be anybody but oneself.”- Virginia Woolf

If you are looking for Inspirational quotes for achieving success in life, this one is especially for you. You don't have to hurry life, other people. Take things slowly, in your own space.

You don't have to be in a race like others and become someone else. All you have to do is never stop trusting yourself and never stop working hard to achieve your dream.

11. “You cannot change your future, but

**you can change your habits, and surely your habits will change your future.”-
A.P.J. Abdul Kalam**

A small lifestyle, daily routine and habit change can make a huge difference in your life. It might be how many hours you work, when you wake up or when you go to sleep, or the books you read, it can be anything in life.

But make sure you are doing something that will be beneficial to your life and help you to create a future.

12. “Doubt kills more dreams than failure ever will.” –Karim Seddiki

This is a very Inspirational quote because there might be times in life when you often end up giving up on yourself and your dreams due to self-doubt and apprehension. You don't have to doubt yourself; you just have to keep getting better at what you do to achieve success in life.

**13. “If You Judge a Fish by Its Ability to Climb a Tree, It Will Live Its Whole Life Believing that It is Stupid.”-
Albert Einstein**

If you fail in life, don't lose hope, or don't ever think that you are not worth it. Everyone gets success in life and you just have to figure out what your talent is to get success in life.

14. “Only those who will risk going too far can possibly find out how far one can

go.”-T. S Eliot

This Inspirational quote is for everyone to go the mile to achieve success. If you are afraid to go beyond the limit, you will always be on the fence. Take risks and show the world what you are capable of achieving.

15 “Remember that a failure is an event, not a person.”- Zig Ziglar

When you fail in life, that's not the end of life. It just means that you have to put in a little more effort and do hard work than the last time. It is just a passing moment and some challenges that you have to face but that doesn't define you.

16. “You miss 100 percent of the shots you don't take.” – Wayne Gretzky

If you are apprehensive about doing something for fear that you will fail, you are just ensuring your failure. Never be afraid to take a new step and try new ways. In the beginning, everything starts with the decision to try new things.

17. “The expert in anything was once a beginner.” – Helen Hayes

You can't expect yourself to be the best the first time. You have to work for it and gain it through hardwork, passion and commitment until you get to master it.

18. “The beautiful thing about learning is that no one can take it away from you.” – B.B. King

Your education is the biggest asset that no one can take away from you. It is not money that you should aim for, it is quality education you should get in life.

19. “If You Are Working On Something You Really Care About, You Don’t Have To Be Pushed. The Vision Pulls You.” – Steve Jobs

Always have a clear vision of what you want to achieve and what you want to become. When you lack inspiration, think about that vision and you will get success in life.

These quotes inspire you to stay focused. It also makes one understand that no matter how many inspirational thoughts you have to put in the effort to succeed.

20. “Doing the best at this moment puts you in the best place for the next moment.” – Oprah Winfrey

All you have is this moment and try to make the best of it. You have often procrastinate on things and that is the worst thing to do. If you can, do it then and there and give your best in things you want to achieve in life.

Summary

Inspirational quotes often feel motivational. And inspirational quotes at the right time can change things and inspirational phrases can encourage you to get up, overcome tough times, take action to take charge of your life and achieve success, stop procrastinating, escape your comfort zone, motivate a team, invest in personal growth, start a business, do the hard work that needs doing.
