

Amazon earned highest profit ever in history

Amazon.com Inc on Thursday declared about their greatest profit in its 26-year history in the online sales market. The rival stores and platforms are closed in the lockdowns, but Amazon has hired 175,000 people this month and the demand rises to the peak. The company declared that the profit rose to 40% compared to the previous year to \$88.9 billion. After all the expenses due to COVID -19, the company has earned \$5.2 billion.
