

Flipkart Enters Into Strategic Partnership With Adani Group

On Monday Flipkart, India's leading homegrown e-commerce marketplace announced a strategic and commercial partnership with the Adani Group, India's largest multinational infrastructure company.

"Homegrown e-commerce giant Flipkart is our new strategic partner. In the two-prong partnership, AdaniConneX will build their new Tier 4 data centre and Adani Logistics, India's leader in logistics, will build their 534,000 square feet fulfilment centre. Thousands of new jobs in Mumbai" tweeted Adani Group Chairman Gautam Adani.
