

Nitin Gadkari: Sets Highway Construction Target For Next Two Years

Road transport minister Nitin Gadkari said the government has set a road construction target of Rs 15 lakh crore over the next two years. Gadkari also expressed confidence that India will achieve the target of 40 kilometres per day of highway construction in the current financial year.

“Government is giving utmost priority to the development of infrastructure and has set a target of road construction worth Rs 15 lakh crore in next two years,” said Gadkari, addressing the India-US partnership vision summit.

During his address, He also urged the US companies to invest in infrastructure and micro, small and medium sections in India.
