

SBI Changes Rules, Timings Due To The Second COVID-19 Wave.

State Bank of India (SBI) has changed its branches' opening and closing time amid the second COVID-19 wave in India. Customers are advised to visit the bank only if necessary as the bank will be open only for four hours—10 am to 2 pm till May 31, according to the Indian Banks Association. And an SBI official confirmed the change in timings.

On Wednesday stay safe at home, we are there to serve you. SBI provides you with a contactless service that will help you with your urgent banking needs. Call our toll free number 1800 112 211 or 1800 425 3800.
