

TCS to hire 40,000 freshers amid COVID-19 crisis

Tata Consultancy Services (TCS) has announced that they're planning to hire 40,000 fresh candidates from campuses across the country. Last year also, the IT predominant hired almost the same numbers of employees. The recruitment plan comes at the same time as companies, across the board, warfare financially amid the continued coronavirus crisis. TCS additionally plans to double its US campus placement numbers at 2,000.
