

# **UAE-India emerged as the second busiest route**

The UAE- India corridor has become the second busiest country route in terms of seats deployed by airlines flying between the two countries. Indigo is currently the world's 8th biggest flight with 36,525 flights scheduled for this month and Delhi Airport is the 12th biggest airline in terms of capacity deployment by airlines. American Airlines is at the 1st position in terms of the number of flights scheduled to be operated, which are 1.1 lakh this month.
