## Share Your Story

### The Thrive

The Thrive is an emerging business platform in India. This e-platform serves information on the fast-changing business world and to create a space of unconfined ideas and visions. Our objective is to prepare its reader with all-important modernized information to face the future and to avail deep and proper information about the business industry.

The content our platform shares is about the stories of change-makers, business persons all over the world, changing business models and emerging business technology, and several resourceful information related to the business environment. This email is a call for all those people who are creating some unique and innovative startups.

We are inviting you to share your unique startup stories with our e-platform and get a chance to inspire many entrepreneurs like you. If you have a story that inspires others, feel free to share with us on the email: [info@thethrive.in](mailto:info@thethrive.in)

1. The story you are sharing should be completely yours and the incidents or content must be real. Apart from this, we have a strict policy against plagiarism and therefore would request to ensure that the article you are sending hasn't been shared or published on any other platform or blog.
2. Please ensure your article has a word limit of a minimum of 1,200 words and a maximum of 1,500 words.
3. Mention two titles for your story.
4. Provide high-quality images or videos (Recommended

Dimension: 800x400px) with the article that does not violate any copyright norms.

5. We do not encourage any direct or indirect personal or brand promotion, as the reader wants to learn more about a subject and not the author/brand.
